

ALBERT M. LEFKOVITS, M.D.

**CURRICULUM VITAE**

ADDRESS 1040 Park Avenue  
New York, NY 10028  
(212) 861.9600

BIRTHDATE June 30, 1937

EDUCATION

1958-62	New York Medical College New York, NY	M.D. Lederle Medical Student Research Fellow
1954-58	Cornell University College of Arts & Sciences Ithaca, NY	A.B. New York State Scholarship Cornell State Scholarship Class of 1886 Prize Class of 1894 Prize

EXPERIENCE

2006-Present	Mount Sinai School of Medicine New York, NY	Associate Clinical Professor
Sept. 2005	New York Eye and Ear Infirmary New York, NY	Visiting Professor
Oct. 2004	Albert Einstein College of Medicine Bronx, NY	Visiting Professor
2003-Present	Mount Sinai School of Medicine New York	Co-Director, Cosmetic Dermatologic Surgery Training Program
1982-Present	Mount Sinai School of Medicine New York NY	Assistant Clinical Professor
1982-Present	Mount Sinai School of Medicine New York, NY	Assistant Attending Physician
1970-1982	Mount Sinai School of Medicine New York, NY	Senior Clinical Instructor
1970-1982	Mount Sinai Hospital New York, NY	Senior Clinical Assistant
1966-1970	Mount Sinai School of Medicine New York, NY	Instructor
1966-1970	Mount Sinai School of Medicine New York, NY	Clinical Assistant
1966-1967	Mount Sinai School of Medicine New York, NY	Research Fellow
1965-1966	Mount Sinai School of Medicine New York, NY	Chief Resident
1966-Present	New York Medical College New York, NY	Clinical Instructor
1966-1971	Flower Fifth Avenue Hospital New York, NY	Assistant in Dermatology
1963-1965	Kings County Hospital Brooklyn, NY	Resident in Dermatology

## RESEARCH

1964-1975	State University of New York Downstate Medical Center Brooklyn, NY	Research in Immunofluorescent Antinuclear Antibody Studies In Lupus Erythematosus
1967-1969	Mount Sinai Hospital New York, NY	Study of Tryptophan Metabolism in Psoriasis and Arthritis (63-13 ME)
1966-1968	Mount Sinai Hospital New York, NY	Immunofluorescent Studies in Bullous Diseases (66-54 ME)
1980-1982	Mount Sinai School of Medicine New York, NY	Effects of Ultraviolet B Radiation in Patients with Uremic Pruritus (80-156 DE)

Consultant to the Student Health Service of the Mount Sinai School of Medicine from its inception to the present.

Consultant to the Mount Sinai Hemodialysis Unit from its inception to the present.

Tutor for the Mount Sinai Student Transfer Program, 1974.

## PARTIAL LIST OF LECTURES AND PRESENTATIONS AT MEETINGS AND GRAND ROUNDS

1. An Unusual Manifestation of Fixed Drug Eruption to Tetracycline. Presented at the Gross and Microscopic Dermatology Symposium of the American Academy of Dermatology, December 8, 1974.
2. Pyoderma Gangrenosum in a Patient with Diverticular Disease. Presented at the Gross and Microscopic Dermatology Symposium of the American Academy of Dermatology, December 3, 1977.
3. Sea Urchin Dermatitis. Presented March 15, 1973 at meeting of the Dermatology Society of Greater New York.
4. Circumcision Prevents Cancer – Phallus or Phallusy? Presented January 18, 1973 at meeting of the Dermatology Society of Greater New York.
5. Current Concepts of Mycosis Fungoides. Presented February 7, 1974 at meeting of American Physicians' Fellowship.
6. Tumors of the Skin. Presented February 25, 1975 at meeting of American Physicians' Fellowship.
7. Investigation and Work-Up for Urticaria. Presented March 1, 1977 at meeting of American Physicians' Fellowship.
8. Malignant Melanoma. Presented March 3, 1977 at meeting of American Physician's Fellowship.
9. Significant Cutaneous Tumors. Presented May 26, 1978 at First Mount Sinai AAS Symposium – Medical Update 1979.
10. Cutaneous Manifestations of Drug Reactions. Presented May 26, 1979 at Second Mount Sinai AAS Symposium – Medical Update 1979.
11. Epidermolysis Bullosa. Grand Rounds, Department of Pediatrics, Mount Sinai Medical School, September 18, 1978.
12. Cutaneous Manifestations of Diabetes. Grand Rounds, Division of Diabetes, Mount Sinai School of Medicine, September 25, 1978.
13. Herpes Gestationis. Grand Rounds, Department of Obstetrics, Mount Sinai Medical School, February 20, 1979.
14. Syphilis in Pregnancy. Grand Rounds, Department of Obstetrics, Mount Sinai Medical School, June 14, 1979.
15. Dermatological Lesions of Interest to the Urologist. Grand Rounds, Department of Urology, Beth Israel Medical Center, September 13, 1979.
16. Cutaneous Aspects of Internal Malignancies. Presented February 29, 1980 at meeting of American Physicians' Fellowship, co-sponsored by Mount Sinai Medical Center of Miami Beach.
17. Management of Cutaneous Tumors. Presented February 27, 1981 at meeting of American Physicians' Fellowship, co-sponsored by Mount Sinai Medical Center of Miami Beach.

18. Dermatology Advances, 1981. Presented May 21, 1981 at Mount Sinai Spring Symposium, Update 1981, Charleston, South Carolina.
19. Office Dermatology. Mount Sinai Teaching Days. Page and William Black Post-Graduate School of Medicine of Mount Sinai School of Medicine, February 10, 1981.
20. Complications of Herpes Simplex in Pregnancy and the Newborn. Presented in course on Medical and Surgical Complications of Pregnancy, Page and William Black Post-Graduate School of Medicine of Mount Sinai School of Medicine, December 11, 1981.
21. Tumors and Other Lesions – Cutaneous Genital Lesions. Presented at Mount Sinai Hospital, Department of Urology, Grand Rounds, Spring 1981.
22. Chairman of American Physicians' Fellowship. International Seminar on Dermatology. Held in Jerusalem, Beersheba, Haifa and Tel Aviv, Israel October 12-25, 1982. Faculty members included Martin Carmer, M.D., Professor and Chairman, Department of Dermatology of the Rockefeller University and Cornell University Medical Center; William Eaglestein, M.D., Professor and Chairman, Department of Dermatology, University of Pittsburgh College of Medicine; Steven Katz, M.D., Chief, Dermatology Branch, National Cancer Institute; and Beno Michel, M.D., Associate Professor of Dermatology, Case Western Reserve Medical School.
23. Dermatological Complications of Pregnancy. Presented in Jerusalem, Israel as part of course on Medical, Surgical and Gynecological Complications of Pregnancy, October 1985.
24. Effects of Sun Exposure on the Aging of Skin and Skin Cancer. Presented May 27, 1984 at meeting of Associated Attending Staff of the Mount Sinai Medical Center. Update 1984.
25. Dermatologic Signs of Internal Disease - "The Spotted Trail". Presented May 25, 1985 at meeting of Associated Attending Staff of the Mount Sinai Medical Center. Update 1985.
26. The Dermatologist's Role in Diagnosis and Therapy of Malignant Melanoma. Presented March 24, 1990. Conference held at the Mount Sinai Medical Center.
27. Skin Diseases Caused by Aquatic Organisms. Presented January 19, 1992 at Association of Attending Staff of the Mount Sinai Hospital Fourteenth Annual Medical Symposium. Medical Update 1992.
28. Life Threatening Dermatoses. Presented January 21, 1992 at Astoria General Hospital for Mount Sinai Graduate School "Teaching Days."
29. A Dermatologist Looks at the Vulva. Presented December 5, 1997 at the Mount Sinai Medical Center One-Day Concise Clinical Post-Graduate Course on Pediatric and Adolescent Gynecology.
30. Co-Director, Multidisciplinary Facial Aesthetic Symposium. Presented March 15, 1998 at the Mount Sinai Medical Center.
31. Topical Therapy for Facial Rejuvenation. Presented March 15, 1998 at the Multidisciplinary Facial Aesthetic Symposium at the Mount Sinai Medical Center.
32. Co-Director of program on Advances in Dermatologic Diagnosis and Therapeutics for the Next Millennium. Presented December 13, 1998 at the Mount Sinai Medical Center.

33. New Approaches to Management and Diagnosis of Malignant Melanoma, with Emphasis on Digital Epiluminescence Microscopy. Presented December 13, 1998 at program on Advances in Dermatologic Diagnosis and Therapeutics for the Next Millennium at the Mount Sinai Medical Center.
34. Co-Director, Update on Multidisciplinary Facial Aesthetics. Presented at the Mount Sinai Medical Center on December 10, 1999.
35. Director of program on Advances in Medical and Surgical Dermatology for the New Millennium, presented December 10-12, 1999 at the Mount Sinai Medical Center.
36. Facial Rejuvenation for the Busy Patient. Presented December 10, 1999 at program on Advances in Medical and Surgical Dermatology for the New Millennium at the Mount Sinai Medical Center.
37. Current Developments in the Pathophysiology and Management of Acne Rosacea. Presented December 12, 1999 at program on Advances in Medical and Surgical Dermatology for the New Millennium at the Mount Sinai Medical Center.
38. Co-director, Third Annual Mount Sinai Winter Symposium on Advances in Medical and Surgical Dermatology. Presented December 8-10, 2000 at the Mount Sinai Medical Center.
39. New Wrinkles in Skin Rejuvenation. Presented December 8, 2000 at the Third Annual Mount Sinai Winter Symposium on Advances in Medical and Surgical Dermatology at the Mount Sinai Medical Center.
40. Workshop Director, Lunchtime Rejuvenation. Presented December 9, 2000 at the Third Annual Mount Sinai Winter Symposium on Advances in Medical and Surgical dermatology at the Mount Sinai Medical Center.
41. New Approaches to Managing Hyperplastic, Premalignant and Malignant Skin Disease. Presented December 10, 2000 at the Third Annual Mount Sinai Winter Symposium on Advances in Medical and Surgical Dermatology at the Mount Sinai Medical Center.
42. Innovative Uses of Laser for Hair Removal. Presented at the Annual Meeting of Cosmetic Laser Surgeons, April 28, 2001, Las Vegas, Nevada.
43. Co-director, Fourth Annual Mount Sinai Winter Symposium on Advances in Medical and Surgical Dermatology, presented December 7-9, 2001 at the Mount Sinai Medical Center.
44. Peels, Microdermabrasion and Non-Ablative Resurfacing. Presented December 7, 2001 at the Fourth Annual Mount Sinai Winter Symposium on Advances in medical and Surgical Dermatology at the Mount Sinai Medical Center.
45. Workshop on Lunchtime Rejuvenation. Presented December 8, 2001 at the Fourth Annual Mount Sinai Winter Symposium on Advances in medical and Surgical Dermatology at the Mount Sinai Medical Center.
46. Challenges, Caveats and Opportunities: A Review of the Year's Literature. Presented December 9, 2001 at the Fourth Annual Mount Sinai Winter Symposium on Advances in medical and Surgical Dermatology at the Mount Sinai Medical Center.

47. New Developments in Skin Rejuvenation. Presented October 17, 2002 at the Meeting of the Dermatology Society of Greater New York, New York City.
48. Adapting Today's Dermatology Practice to Tomorrow's Challenges and Opportunities. Presented October 23, 2002 to the Westchester County Dermatology Society, Chappaqua, New York.
49. Co-director, Fifth Annual Mount Sinai Winter Symposium on Advances in Medical and Surgical Dermatology. Presented December 13-15, 2002 at the Mount Sinai Medical Center.
50. Round Table Discussion Leader on Dermatoscopy. Presented December 14, 2002 at the Fifth Annual Mount Sinai Winter Symposium on Advances in Medical and Surgical Dermatology.
51. Facial and Skin Rejuvenation without Downtime. Presented December 14, 2002 at the Fifth Annual Mount Sinai Winter Symposium on Advances in Medical and Surgical Dermatology.
52. Innovations in Dermatologic Therapy. Presented December 15, 2002 at the Fifth Annual Mount Sinai Winter Symposium on Advances in Medical and Surgical Dermatology.
53. Botulinum Toxin in Dermatology. Presented January 30, 2003 as invited keynote speaker, Dermacon 2003, the 31<sup>st</sup> National Conference of Indian Dermatologists, Venereologists and Leprologists, Calcutta, India.
54. Workshop on Aesthetic Use of Botulinum Toxin Type A. Presented January 31, 2003 at Dermacon 2003, the 31<sup>st</sup> National Conference of Indian Dermatologists, Venereologists and Leprologists, Calcutta, India.
55. Latest Uses of Lasers in Dermatology. Presented September 19, 2003 at the International Symposium of Cosmetic Laser Surgeons, San Diego, CA.
56. Co-director, Sixth Annual Mount Sinai Winter Symposium on Advances in Medical and Surgical Dermatology. Presented December 5-7, 2003 at the Mount Sinai Medical Center.
57. Cosmoderm and Chemical Peels. Presented December 6, 2003 at the Sixth Annual Mount Sinai Winter Symposium on Advances in Medical and Surgical Dermatology.
58. Recent Developments in Dermatology. Presented December 7, 2003 at the Sixth Annual Mount Sinai Winter Symposium on Advances in Medical and Surgical Dermatology.
59. Practical Dermatoscopy and Use of the Molemax. Presented December 7, 2003 at the Sixth Annual Mount Sinai Winter Symposium on Advances in Medical and Surgical Dermatology.
60. Reversing the Hands of Time – Combining Chemoprevention, Peels and Lasers to Achieve Optimum Results. Presented January 15, 2004 at the Orlando Cosmetic Dermatology Convention, Orlando, FL.
61. Visiting Professor, Department of Obstetrics and Gynecology, Albert Einstein College of Medicine, Bronx, NY. Dermatological Problems of Pregnancy and of the Female Genitalia. Presented at Grand Rounds October 4, 2004.
62. Co-director, Seventh Annual Mount Sinai Winter Symposium on Advances in Medical and Surgical Dermatology. Presented December 12-14, 2004 at the Mount Sinai Medical Center.

63. Putting it All Together: Using The Latest Technologies to Achieve Maximum Results with No Downtime. Presented December 12, 2004 at the Seventh Annual Mount Sinai Winter Symposium on Advances in Medical and Surgical Dermatology.
64. New Advances in Dermatologic Therapies. Presented December 12, 2004 at the Seventh Annual Mount Sinai Winter Symposium on Advances in Medical and Surgical Dermatology.
65. Facial Rejuvenation. Presented May 22, 2005 at the 22<sup>nd</sup> International Congress of the French Society of Aesthetic Surgery, Paris, France.
66. Diseases of The Skin and Eye Frequently Seen in Consultation: Diagnosis, Therapy and Pathophysiology. Presented as Visiting Professor September 22, 2005 in the Department of Ophthalmology, The New York Eye and Ear Infirmary, New York, NY.
67. Diagnosis and Management of Ocular Acne Rosacea. Presented as Visiting Professor September 23, 2005 at Grand Rounds of the Department of Ophthalmology, The New York Eye and Ear Infirmary, New York, NY.
68. How to Reverse Photodamage and Actinically Damaged Skin and Improve Chronologically Aged Skin. Presented at Manhattan Eye, Ear and Throat Hospital course entitled *Fillers, Injectables and Lasers for Facial Rejuvenation/Aesthetic Surgery of the Aging Face*, November 16, 2005, New York, NY.
69. New Techniques in Botox Administration. Presented at Manhattan Eye, Ear and Throat Hospital course entitled *Fillers, Injectables and Lasers for Facial Rejuvenation/Aesthetic Surgery of the Aging Face*, November 16, 2005, New York, NY.
70. Lunchtime Rejuvenation: Combining Modalities of Microdermabrasion, Chemical Peels, Lasers, Botox and Fillers for the Best Lunchtime Rejuvenation With Minimal or No Downtime. Presented at Manhattan Eye, Ear and Throat Hospital course entitled *Fillers, Injectables and Lasers for Facial Rejuvenation/Aesthetic Surgery of the Aging Face*, November 16, 2005, New York, NY.
71. Co-director, Eighth Annual Mount Sinai Winter Symposium on Advances in Medical and Surgical Dermatology. Presented December 9-11, 2005 at the Mount Sinai Medical Center.
72. A Review of the Non-Dermatological Literature of Interest to Dermatologists. Presented December 10, 2005 at the Eighth Annual Mount Sinai Winter Symposium on Advances in Medical and Surgical Dermatology.
73. Lunchtime Rejuvenation. Presented December 11, 2005 at the Eighth Annual Mount Sinai Winter Symposium on Advances in Medical and Surgical Dermatology.
74. New Strategies for Melanoma Prevention. Presented at the International Dermatology Exchange Program of the Skin Cancer Foundation, January 23, 2006, Puerto Vallarta, Mexico.
75. Presented the Marion B. Sulzberger Toast at the annual meeting of the History of Dermatology Society, March 2, 2006, San Francisco, CA.
76. Botox, Restylane and Smiles. Presented at the annual meeting of Aesthetic Dentists, Thursday, November 30, 2006, New York, NY.

77. Co-director, Ninth Annual Mount Sinai Winter Symposium on Advances in Medical and Surgical Dermatology. Presented December 8-10, 2006 at the Mount Sinai Medical Center.
78. A Review of the Non-Dermatological Literature of Cutting Edge Developments in Dermatological Therapy. Presented at the Ninth Annual Mount Sinai Winter Symposium on Advances in Medical and Surgical Dermatology, December 8, 2006, New York, NY.
79. Syphilis and How the West Was Won. Presented at the annual meeting of the American Academy of Dermatology, February 1, 2007, Washington, DC.
80. New Techniques to Reverse Photodamage and Photoaging. Presented at the Dermatology Foundation Clinical Symposia on Advances in Dermatology, March 15, 2007.
81. Application of Dermoscopy to Early Diagnosis and Prevention of Melanoma. Presented at the Dermatology Foundation Clinical Symposia on Advances in Dermatology, March 15, 2007.
82. Practice Safe Sun! Presented to the executive editorial staff of Hearst Magazines, June ??, 2007.
